"When angry, count to four; when very angry, swear" - Mark Twain

Monday May 21, 2007

Index: Spring 2006, Vol. 1 No. 2

Cover Theme: South Asians In The Military

• Fighting For Their Country

Under severe enemy fire in Fallujah, 1st Lt. Prakash commanded a tank platoon. Maj. Dr. Bose performed emergency surgeries on the battle field. Capt. Khan, Sgt. Singh and Spc. Kathiria gave their lives. These are only some of the South Asian Americans showing courage and valor fighting for America.....

Topic A: Indian Real Estate

• The Real State Of Affairs: A Home Back Home

Real estate is booming in India with double digit growth. Big developers are building lavish structures, gated communities and posh bungalows.....

Special Report: Weddings

• East Comes to West: Getting Married in the USA

Increasingly more and more wedding planners and service providers are catering to South Asian weddings.....

• My Brother's Big Fat Indian Wedding

A sister's memories of her brother's wedding in India to an American.....

Social Service

• Idealistic Dreams With Chutzpa

A Chicago doctor wants to improve the medical infrastructure of his birthplace, Kenya.....

From The History Books

• An Indian Martyr In the US Army

He was a Bohra Muslim from Dahod who came to the USA after finishing his Computer Science degree and gave ultimate sacrifice in Iraq.....

• Un-Conventional Choice: Swapping Books for M-16

There are more than 200,000 women on active duty in the U.S. military. Very few of them are of South Asian origin. If the military is an un-conventional choice as a career for desi men then for women it is more so.....

• Gates of Freedom Require Vigilance and Sacrifice

He was inspired by Jefferson and was working for the betterment of local Iraqis when a car bomb took his life.....

• Saving the Whole World

Third generation military man and the only son of an Indian Army Colonel, this young sikh was the first desi to fall in Iraq.....

Face Time

- **They Died For Our Freedom**

75 years ago three twenty something were executed. Were they terrorists?.....

Travel

- **An Odyssey Through A Golden Triangle**

A meandering journey through the Golden Triangle is a good way to get reconnected with your country.....
